FASTER TM / TMT

SNACKS AND FRESH FOOD

PRODUCT FEATURES

- ✓ Linear design for easy cleaning
- ✓ Patented, energy-saving, slide-in/slide-out refrigeration unit that can quickly be replaced
- ✓ Patented lateral refrigeration ventilation for energy savings, condensation and optimal homogenization of temperatures
- ✓ 32-bit electronics with USB 2.0 HOST
- ✓ Power LED illumination with energy saving
- ✓ Programming, cloning and audit functions using a standard
- ✓ USB pen drive
- ✓ Larger interior dimensions for above-average management of voluminous products:
- Increased space between glass and drawer compared to standard version
- Product drop space maximised
- The front panel in glass has intelligent LED lighting to highlight product availability after distribution
- Larger door is reinforced and customizable
- ✓ Ready for easy installation of optional Drawer Display Kit and Push Drawers
- ✓ Rieda RS1 Lock
- ✓ Easy Click System: for configuring the machine quickly and easily without any need for technical instruments

Version TM

- ✓ Graphic colour display 480 x 272 pixel with the possibility of a personalised slide show and/or visualization of supplementary information (e.g.: product ingredients and nutritional value)
- ✓ Illuminated keyboard

Version TMT

- ✓ Interactive user interface with 7" TABLET
- ✓ Integrated Wi-Fi connection
- ✓ Configured for dongle key internet connection
